LAYS

FASTENERS

2024

ABOUT LAYS...

The birth of Lays Fasteners started over a cold rum and coke in February 2023.

Fast forward to February 2024 after many hours of background work we are proud to say have an operating business and a store in Wānaka.

Welcome to Lays Fasteners, your trusted building mate for all things fastening, fixing, gluing and anchoring based in Central Otago, New Zealand.

With a combined experience of 16+ years, the directors of Lays bring expertise and passion to every fastening project. We take pride in contributing to the growth and success of our customers, the region and industries we service. With an extensive range of fasteners, tools and accessories, we cater to diverse projects and applications.

You can trust Lays for superior products and exceptional service. From selecting the right fastening solution to timely deliveries, we are here to support you every step of the way.

Thank you for choosing Lays Fasteners - We look forward to being your trusted mate when it comes to fasteners!

Sincerely,
Matt and Montana

**LOCALLY OWNED,
OPERATED AND

MEET THE DIRECTORS...

Matt Lay raised in Christchurch, has 6+ years of experience supplying to the construction and engineering industries, he brings extensive knowledge and expertise to his role.

Matt's leadership and strategic vision have played a crucial role in the start up of this company. His commitment to delivering high-quality products and exceptional customer service sets the standard for the entire organization.

As Director, Matt's dedication and expertise will lead the company to new heights in Central Otago.

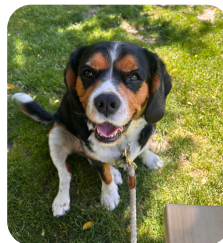

Montana Garratt raised in Auckland, has 9+ years in the construction industry.

As the passionate Director of Lays Fasteners, Montana will demonstrate an unwavering commitment to excellence, innovation, and client satisfaction.

Montana's understanding of construction, combined with her leadership skills and bubbly personality will be sure to satisfy.

Matt and Montana have two dogs together and when they aren't out there servicing their customers they are spending time outdoors with their dogs, family and friends as well as enjoying their quiet time together!

DIRECTORS STATEMENT...

"Matt and I share a passion for what we do and the brand we have built, we truly believe we can make a difference to the regions we service. With true passion for something follows great things and we know our customers can benefit from what we love. We want to be apart of the Central Otago community and contribute to the growth and future of the area as well as form great relationships along the way. We are super excited, proud and honoured to be down here in Central Otago!"

NCC - NATIONAL CONSTRUCTION CODE

The Australian standard for Post-installed Fastenings to Concrete is here, and it's the law to comply. As a builder, contractor, designer or distributor, there is a collective legal obligation to abide by the Australian Standard, understand safety-critical applications and ensure the right fixing is being used. DON'T RISK IT BY NOT COMPLYING

On May 1st 2019 the National Construction Code 2019 referenced the first ever Australian Standard (AS 5216:2018) for post-installed and cast-in fastenings to concrete, superseding SA TS 101:2015. Referenced in both NCC 2019 volume 1 & 2, complying with the Law for all safety-critical applications has never been more important. Always ask for code compliant

solutions and sleep comfortably at night! ICCONS understand that maintaining compliance with new standards can be a daunting task for many. With the release of AS 5216:2018 (Design of post-installed and cast-in fastenings in concrete) ICCONS developed three new identification aids of compliance; • A New "Australian Specific" NCC identification symbol. Look for the ICCONS NCC symbol of compliance and be confident your fasteners comply! • ICCONS

product selection chart making selecting the correct fastener

easy! • The stamp of compliance for all AS 5216:2018 compliant products, look for this symbol on the box! NATIONAL CODE COMPLIANT

A large red circle on the left side of the page, partially cut off by the edge. Inside the circle, the word 'FASTENERS' is written in a large, bold, sans-serif font. The letters are white with a slight shadow effect, making them stand out against the red background. The text is oriented vertically, following the curve of the circle.

A large green circular graphic on the left side of the page. Inside the circle, the word "FASTENERS" is written in a large, bold, sans-serif font. The letters are white with a slight shadow effect, making them stand out against the green background. The word is oriented vertically, with "F" at the top and "S" at the bottom.

Bolts

ASSEMBLY BOLTS

Structural bolts are used in high-stress applications such as building and bridge construction and the assembly of heavy industrial machinery.

**TALK TO LAYS ABOUT ALL OUR
DIFFERENT BOLTS**

A large green circular graphic on the left side of the page. Inside the circle, the word "FASTENERS" is written in a large, bold, sans-serif font. The letters are white with a slight shadow effect, making them stand out against the green background. The circle is partially cut off by the left edge of the page.

Transport | Marine

Admil Adhesives range of industrial grade sealants for transport, marine and manufacturing has been designed with performance in mind.

Joint Sealing

Admil Adhesives SUPASEAL PU and PROSIL 41LM are the go to for the cladding industry.

Waterproofing

The PROSIL range of silicones are 100% high grade silicone designed for professionals for all waterproofing applications.

Glazing

PROSIL 30 and PROSIL 60 are industry leaders in the glazing market. 100% high grade silicone.

Sika's purpose is to anticipate and meet future challenges by providing reliable, innovative, sustainable and long lasting solutions in the construction, building, and manufacturing industries. In everything we do, we provide a seal of quality which our employees, customers and all stakeholders can rely on – building trust every day.

A large yellow circle on the left side of the page. Inside the circle, the word 'FASTENERS' is written in a large, bold, sans-serif font. The letters are white with a slight shadow effect, making them stand out against the yellow background. The circle is partially cut off by the left edge of the page.

GNSTUNF5/16	5/16 UNF Straight Grease Nipple
GNSTM6X1	M6X1 Straight Grease Nipple
GNSTM8X1	M8x1 Straight Grease Nipple
GNSTM8X1.25	M8x1.25 Straight Grease Nipple
GNSTM10X1.5	M10x1.5 Straight Grease Nipple
GNSTM10X1	M10x1 StraightGrease Nipple

**ROLL PIN**

RPB02025	M2x25 Roll Pin Black
RPB025020	M2.5x20 Roll Pin Black
RPB025030	M2.5x30 Roll Pin Black
RPB03008	M3x8 Roll Pin Black
RPB05030	M5x30 Roll Pin Black
RPB05040	M5x40 Roll Pin Black
RPB05045	M5x45 Roll Pin Black
RPB06020	M6x20 Roll Pin Black
RPB06025	M6x25 Roll Pin Black
RPB06030	M6x30 Roll Pin Black
RPB06040	M6x40 Roll Pin Black
RPB06045	M6x45 Roll Pin Black
RPB06050	M6x50 Roll Pin Black
RPB06060	M6x60 Roll Pin Black
RPB08030	M8x30 Roll Pin Black
RPB08040	M8x40 Roll Pin Black
RPB08045	M8x45 Roll Pin Black
RPB08050	M8x50 Roll Pin Black
RPB10040	M10x40 Roll Pin Black
RPB10050	M10x50 Roll Pin Black
RPB10060	M10x60 Roll Pin Black
RPB10080	M10x80 Roll Pin Black
RPB12045	M12x45 Roll Pin Black
RPB12050	M12x50 Roll Pin Black
RPB12060	M12x60 Roll Pin Black

DOWEL PIN

DP04010	M4x10 Dowel Pin
DP04020	M4x20 Dowel Pin
DP04030	M4x30 Dowel Pin
DP06016	M6x16 Dowel Pin
DP06020	M6x20 Dowel Pin
DP06030	M6x30 Dowel Pin
DP06040	M6x40 Dowel Pin
DP06050	M6x50 Dowel Pin
DP08020	M8x20 Dowel Pin
DP08030	M8x30 Dowel Pin
DP08045	M8x45 Dowel Pin
DP08050	M8x50 Dowel Pin
DP10020	M10x20 Dowel Pin
DP10025	M10x25 Dowel Pin
DP10030	M10x30 Dowel Pin
DP10045	M10x45 Dowel Pin
DP10100	M10x100 Dowel Pin
DP12025	M12x25 Dowel Pin
DP12030	M12x30 Dowel Pin
DP12040	M12x40 Dowel Pin
DP12050	M12x50 Dowel Pin
DP12080	M12x80 Dowel Pin
DP16030	M16x30 Dowel Pin
DP20060	M20x60 Dowel Pin

These pins are typically used to align, locate, or join component to absorb lateral stress. However, they can also be used as a pivot, shaft, or hinge.
